➤ ORDINARY TIME.

Running from 29 May through 2 Dec in 2023, this season focuses on the life of the people of God, and is a time to focus on spiritual growth and maturation. No surprise, then, that its liturgical colour, green, speaks of growth. The immature green wheat and tares (see Matthew 13) above remind us to prioritise developing knowledge and discernment in our individual Christian walks.

ORDINARY TIME.

This period between the major festive seasons of the church year focuses on the life of God's people, the church, and is a time for spiritual maturation — hence the liturgical colour is green, which represents life and growth. Matthew 13 reminds us, through the parable of the wheat and tares (can you tell which green plant is which in the image?), of the importance of developing spiritual wisdom and discernment. What better time is there to put the various spiritual disciplines we have learnt into consistent, everyday practice?

Pray for Revd Victor Teo to be strong and courageous in the Lord (Jos 1:9), and be imbued with God's grace, wisdom, and authority in leading and discipling the staff and leadership team. May he be God's mighty instrument for fostering godly work culture that inspires one another to grow in the fruit of the Spirit and in joyous service.
