Befrienders—Pastoral & Activities

To befriend residents of the nursing home, being a family to them through companionship, and showing them God's loving care and concern through relationship and activities which strengthens their overall psychosocial, mental and physical strength.

Ministry Opportunities:

Pastoral Befriending - You will befriend the residents of our nursing home, offering them a listening ear, providing companionship, and giving them loving care and concern. Some residents do not receive visitors frequently, so your friendly disposition and friendship will brighten their day! You'll be provided with befriender training and support. If you have completed the Befrienders training, please sign up through the SJSM Volunteers App and if you have already done so.

For more information, please contact:

Revd Dino 62630337 dinot@sjsm.org.sg

Sensory Art & Craft

You will encourage the residents to use their five senses through art and craft thereby allowing them to exercise their fine motor skills and help them experience a sense of achievement when a project is completed. The completed art pieces will also be used to brighten up their individual living spaces and the nursing home!

You do not have to be an experienced artist to assist residents in creating their masterpieces as there'll be a group leader who will facilitate the sessions. We look for passionate, patient and willing hearts in our volunteers to partner the residents during these sessions. Interested?

For more information, please contact:

Chay Siew Ping (IC) 6430 7573 sismnh_volunteers@sanh.org.sg

Music & Movement

You will be helping residents to engage their various muscle memories that would otherwise be under-utilized through listening and moving in tempo to music. Familiar songs of different languages and dialects and oldies from the 60s and 70s will be played to stimulate the movement of their limbs and bodies to choreographed gentle movements at our half-hour session. Musical percussion instruments, such as tambourines and shakers will also be incorporated into the activity.

PawFriends (Animal Interaction)

If you have a calm and sweet-natured dog or cat that enjoys interacting with humans, we invite you to join our group. We bring cheer to the residents by using our pets as a bridge to connect with them. As some of the residents have dementia, we have observed that interaction with our pets (e.g. petting them, playing 'fetch', getting our pets to perform tricks, etc.) also encourages the residents to engage their social, physical and mental capacities more, thereby empowering them over their condition.

Pawfriends sessions are held on Tuesdays at 9.45am to 11am and on Thursdays at 2.45pm to 4pm.

For more information, please contact:

Alvina (IC) 6430 7573 sjsmnh_volunteers@sanh.org.sg

Communications

Undergirding theological accuracy, doctrinal soundness, pastoral care, and consistent discipleship in any community of believers is effective communication: the means, methods, and efficiency of a church's communications strategy play a bigger role than many of us realize in fostering unity, boosting outreach, and improving stewardship.

Beyond communications as a staff function, the Communications Ministry provides opportunities for volunteers to express their worship of God in areas of media, design and more. We invite interested individuals to join us in supporting the growing needs of the church and SJSJ Village to communicate and engage our stakeholders.

Our scope is wide and still expanding: Photography & Videography

Intergenerational Engagement

In the year 2012, Ps Joshua was given the verses from Zechariah 8:4-5. These verses helped launch SJSM Church into Project Spring Winter culminating in the SJSM Village, comprising our Church, SJSM Nursing Home, SJSM Little Seeds Preschool, and St. Andrew's Senior Care which is housed in our SJSM Nursing Home.

The IG Engagement Committee actively seeks to promote interactions between the elderly residents from our Nursing Home with the children from our Preschool and also children from our Junior Church. Such interactions are key in promoting psycho-social benefits to elderly residents.

Research has shown improvement in their mental health and quality of life. Studies showed a significant increase in the overall evaluation of the residents' attitude toward the meaning of life.

Benefits for the children may be seen as social-emotional enhancement by reducing their fear of older adults and seeing ageing as being normal as part of the life cycle; at the same time, help the children to reduce their fear of various disabilities and provide a broader perspective of family lives.

Through participating and serving in such Intergenerational engagement in the SJSM Village, it is our hope that church members will be inspired to bring the generations within the church back together where our seniors can mentor our youth for spiritual formation and church growth.

Befrienders/Volunteers will be provided basic training on how to engage with the elderly residents from the Nursing Home as well as the children from the Preschool.

Objectives

To build an Intergenerational culture or mindset that:

Seeks relationship building across all generations within the SJSM Village community through actively and intentionally promoting communications and encouraging collaborations among the various generations. To bring about the symbolic fulfilment of the Zechariah 8:4-5 verses given to the church.

Ministry Opportunities

We are looking for befrienders/volunteers to help facilitate the various intergenerational engagement activities in the SJSM Village. Main duties are:

- Assist the Preschool teachers in supervising the children during the engagement.
- To help in the coordination of the engagement with the Nursing Home Co-ordinator.
- Help facilitate the activity by encouraging the participants to achieve the objective of the particular engagement.

Commitment

Currently, IG volunteers are required to:

- Set aside 2 hours on weekdays (Monday to Friday – 9:00am to 11:00am) to facilitate a daily intergenerational interaction at the Garden Terrace area of the Nursing Home and the Preschool.
- Volunteers may commit to either one or more of the weekdays.
- We will require 2 volunteers for each daily engagement.

However, as more intergenerational engagements can take place, we will need more volunteers.

Music & Creative Arts

Worship is an activity that is meant to engage with every aspect of our Christian lives. Indeed, we were made to worship God! In the music ministry, we seek to use our creative talents not only in our personal worship but as a means to help others in the church to encounter the presence of our God.

This includes not just singing or playing a musical instrument, but also the use of other creative gifts such as drama, dance, songwriting, multimedia, and visual arts - All of this is usually supported by the unsung heroes of our ministry who serve in the video, sound, and projection teams. So, if you can play an instrument, enjoy singing or are willing to learn to operate the video/sound/projection equipment* (familiarization and training will be provided), then come join us! "

The table below gives a rough schedule of what is expected of those volunteering.

Role	Frequency of Service
Musicians/ Vocalists	SES: Once a month E1/E2: Once a month at both services
Video/Sound/ Projectionist Team	SES: Once a month E1/E2: Once a month
Other creative arts: Choir/ Dance/ Drama**	Project Basis

*Musicians should have some experience playing (at intermediate levels). Auditions (voice and/or instrument) will be conducted and some training will be provided.

**Some of these creative areas are not ready for immediate launch. However please do make yourselves known to us as we are keen to discover the creative talents that are present in SJSM so that we can prayerfully discern how such talents can be used in worship.

Ministry Opportunities/Commitment

Teen Encounter

SERVERS: We are looking for willing servers to lead age groups of tweens - helping to nurture, train and equip them to know God and His Word, to develop the habit of reading His Word and praying regularly and to be strengthened in their faith in God.

Heartbeat

FELLASHIP MENTORS: The Fellowship ministry is a safe place for brothers who share their struggles with one another to keep everyone accountable. We are looking for mature male mentors who are willing to provide 1-to-1 mentorship, meeting the youth approximately once a month, and providing guidance in their walk with Christ.

SISTERHOOD MENTORS: The Sisterhood ministry is a safe and loving community of sisters who spur each other on in the journey towards Christlikeness. We are looking for mature ladies who are willing to provide 1-to-1 mentorship, meeting the youth approximately once a month, and providing guidance especially in specific areas of growth.

CLUSTER MENTORS: We are looking for mature Christians who are willing to help mentor, nurture and support our Youth Cell Leaders in their ministry to the youths and in their own personal walk with God.

Adult Cells

The Cell Ministry in SJSM is committed to forming Christ-centered small communities within the larger church, and these are known as Cell Groups. In these small groups, believers come together regularly to encourage one another in faith, pray, grow in understanding of the bible and reach out to others.

Objective

It's easy for anyone to become a faceless number in the larger crowd during our weekend services, so we believe that cells are the key to a healthy church. A cell group creates opportunities for people to get to know one another better, hence it is a place where we build Christ-centered friendships. More importantly, cell groups encourage spiritual growth through intentional discipleship.

Crochet Fellowship

Origins: The Crochet Fellowship was birth from a ground-up initiative called “Crochet for Love” which was started to provide a space for those with a common interest in crochet to come together in fellowship to make shawls for the nursing home residents. A total of 12 shawls were made afterwhich Phase 2 was launched. Together we discovered that we want to turn this ground-up initiative into a permanent fellowship group as relations were formed and the group was also growing.

Objectives of the Crochet Fellowship

To provide a space for those with a common interest in crochet to come together to make crocheted items for the community. To grow in fellowship and friendship as a support group for each other through not only crochet hours but fellowship meals and other activities.

E.g. of items made: Shawls, blankets, rose, slippers, beanie, hearts

Bonding and fellowship Activities

Ministry Opportunities

Come and join us if you have interest to crochet together to serve the needs of the community and also to form relationship through bonding.

Commitment

2 hours a week on Saturdays 2-4pm and hours at home to complete projects.

Filipino Fellowship

We reach out to the Filipinos working in Singapore and guide them along to understand their God-given potential in the kingdom of God.

Objectives

We aim to equip them with the Word of God so that they can be Christ's ambassadors in their places of influence. We put in place discipleship and mentoring Groups for them to learn from life's experiences and help encourage and build up one another. We create a community where we can celebrate life together and be an extended family away from home. As the Holy Spirit leads we are open to His agenda.

Ministry Opportunities

- ◆ Come and be part of the ministry to train us with life skills.
- ◆ Equip us in the things of the Lord so we can Disciple others effectively.
- ◆ Train our worship Team to develop their musical skills.
- ◆ Introduce Filipino family, colleagues and friends to us so we can reach out to them.

We meet on Sunday at 1:30 PM, at Bethel auditorium for our church Service and thereafter an hour of discipleship.

Commitment

It can be short-term or long-term depending on the length of training & equipping needed.

Men4Men

Men4Men is a ministry established to help men grow in Christlikeness. The ministry focused on cultivating deeper relationships between brothers, where they find a safe place for genuine and vulnerable sharing of our lives' triumphs and challenges. Through such discipling relationships, men have been able to empathize, stand with and pray for one another. As disciples, men support each other through challenges with God's truth and mutual accountability, being channels of Christ transforming love to one another in tangible ways.

The platforms used to catalyze deepening of relationships (helping men shifting from being transactional to being relational) has primarily been the Men's BTWs and Men4Men meetings. Many men's small groups developed through these 2 platforms over the years have outgrown the platforms as they continue their relationships beyond the BTWs and Men4Men meetings.

As we grow in our emphasis of discipling relationships in SJSM, may Men4Men be the ministry where 'every brother is a disciple, and every disciple a brother'.

The table below shows some roles which may be applicable for those volunteering.

Role	Frequency of Service
Worship leading/Musician Registration Discussion group leader Photographer	Monthly Men4Men meetings
Organizing support teams	Breakthrough Weekend (yearly)

Women at the Well

Women at the Well (W@W) is SJSM's women's fellowship. Our name is inspired by Jesus' words to the woman at the well in John 4:14, *"Whoever drinks of the water I will give (her) will never be thirsty again. The water I give (her) will become in (her) a spring of water welling up to eternal life."*

In Jesus' day, the well was where womenfolk gathered to draw water and exchange information. The vision for **Women at the Well** is to be a safe space for SJSM women to come together to be 'watered', for fellowship and encouragement, and to cultivate authentic friendships.

We gather about 4-5 times a year, and have organized talks, a social, and (upcoming) a contemplative retreat. All SJSM women 18 years old and above are welcome to join in!
